

Maintenance Apprentice

Passaic Valley Sewerage Commission (P.V.S.C.) is currently seeking entry level maintenance apprentices eager to learn maintenance skills needed to work at a Wastewater Treatment facility.

Job Description: Assist in the maintenance of equipment using hand and power tools as required under the supervision of a skilled tradesman.

Education: High School Diploma, Vocational School Diploma or equivalent is required.

Experience: General maintenance knowledge is preferred.

Requirements: Basic knowledge of standard tools. Strong verbal and written communication skills. A valid New Jersey driver's license is required.

Working Conditions: Workers are employed in conditions associated with a wastewater treatment plant. Confined Space Entry training will be provided.
